# FROM THE DIRECTOR FRANK DONCKERS

It is that time of year again when, for no reason at all, out of the clear blue sky our thoughts turn to our trusty "iron horse" safely stored away in its winter home. I went out and had a chat with the "cow glide" the other day reassuring it that its "heart" was doing well in the basement under the care of "Dr. Battery Tender". Yes, this is a long season to endure for those of us who long for the saddle and the sound and smell of the open road.

Two events are happening this month and if possible you should try to attend one or both. First is our chapter meeting on February 11, 2016 where we will be discussing MAJOR CHANGES to our annual bike show. If you have suggestions or input on how we should change the show please plan on attending. The second event is the dog sled races the following night on the 12<sup>th</sup>. We need help (trucks and trailers) to haul 90 pallets to the Sand River Crossing. This would take place on Friday February 12<sup>th</sup>, late morning or early afternoon. Please call me or the shop for times.

At the January meeting the incoming officers were sworn into office for 2016 and the 2015 award winners were presented with their awards. Outstanding Volunteer awards went to Brent and Orlene Riley; Special Recognition, Steven Fleegel; Dedicated Service, Linda Donckers; Iron Butt, Jim and Jacquie Nowak, and Spark Plug, Jim and Jacquie Nowak. Hearty congratulations to all the winners!

For 2016, all chapter members who wish to participate in the Iron Butt competition will have to submit their starting mileage to the chapter secretary before the start of the riding year. When your year is done and no later than December 31<sup>st</sup> you will submit your ending mileage to the secretary. These two readings will be your actual odometer reading, beginning and ending.

The summer riding activities will be planned with the survey results as a guide. Many surveys have been turned in and are being reviewed. If you have not turned one in yet and would like to, just stop at the shop and ask at the parts counter for a survey, fill it out and leave it there for pick up.

That is it for now, hope to see you at the round-up or the races.

Frank

# Calendar of Events Superior Chapter # 3803
